City of Slidell Working on Plan for Utility Billing

The City of Slidell is currently working on a plan to resume billing to residents who receive water, sewer and garbage pickup services from the city. Due to the damage caused by Hurricane Katrina, all of the city of Slidell's utility billing will be delayed. All late fees and penalties will be waived in September, October and November.

Residents can send all correspondence, changes of address and outstanding payments to The Utility Billing Department, City of Slidell, P.O. Box 828, Slidell, LA 70459, or may utilize the drop box at 2045 Second Street in Olde Towne Slidell. Inquiries and changes of address may also be sent online via wbilling@cityofslidell.org.

The city will provide a status update to local newspapers and on the city's website, www.slidell.la.us on October 16. Residents should check local newspapers or the website for the updated information.
