## Emergency food stamp office opening in Slidell

The State Department of Social Services is opening a disaster-assistance food stamp center in Slidell this Saturday, Sept. 20, in the John Slidell Park gymnasium at 105 Robert Blvd. near Interstate 12. The application center will be open from 8 a.m. to 5 p.m. through Tuesday, Sept. 23.

Previously, the emergency food stamp application center opened to assist lower and lower-middle income residents in the wake of hurricanes Gustav and Ike was located in the Castine Center in Pelican Park near Mandeville. That center was scheduled to close today.
