

# City of Slidell

Press Release

FOR IMMEDIATE RELEASE

Department of Cultural and Public Affairs ♦ 444 Erlanger Street ♦ Slidell, LA 70458

September 30, 2005

## *Hurricane Katrina Update 9-30-05*

To the Citizens of Slidell,

Traffic is extremely slow through Slidell and will continue to be so as residents from St. Bernard Parish and Orleans Parish travel on the Hwy 11 bridge to their homes. Please use caution and have patience when traveling through the city.

Here are the most recent updates regarding our Hurricane Katrina/Rita recovery efforts:

**RED CROSS DEBIT CARDS:** The American Red Cross disaster relief volunteers have begun distributing client assistance cards to victims of Hurricane Katrina at the old outlet mall at 1000 Caruso Blvd. off of Old Spanish Trail. Hours of operation: every day from 9:00 a.m. - 7:00 p.m.

To reduce traffic, officials ask that clients access the site in one direction by traveling on I-10 West, exiting on Oak Harbor, and then take I-10 East and exit at Old Spanish Trail. They are serving over 1300 cars each day and have already given out over \$3 million in two days. We are encouraging multiple families in cars to help service even more people. The Red Cross will remain at this site until all of Slidell has been serviced.

Individuals or families must provide photo ID showing their address. At this time, the site is unable to service walk up clients.

**POST OFFICE:** The West Slidell post office located on Hwy 190 is open and offering full services, including mail pick up. The Olde Towne office on 2nd Street is now operating out of a mobile unit located in their parking lot. It offers full retail services but you cannot pick up mail from this unit. Hours of operation are Monday - Friday 9:00 a.m. - 3:30 p.m. The post office also has a mobile unit operating in the Parish Bank parking lot on East Gause Blvd. Their hours are Monday - Thursday 9:00 a.m. - 4:00 p.m., Friday 9:00 a.m. - 5:00 p.m., and Saturday 9:00 a.m. - 12 noon.

Again, all mail pick up must be made at the West Slidell branch on Hwy 190. The postal service has begun delivering mail throughout Slidell. However, if your area was hard hit by the hurricane and mail is undeliverable in your neighborhood, you need to pick up your mail at the West Slidell branch.

You may also pick up Social Security checks at the West Slidell post office on Hwy 190.

**FEMA:** FEMA has set up offices in John Slidell Park so that residents may apply for assistance. They are open every day from 9:00 a.m. to 7:00 p.m. You may also apply by calling 1-800-621-FEMA or 1-800-621-3362, or register online at [www.fema.gov](http://www.fema.gov). Please inform FEMA if you are in need of transitional housing to get your name on the list. FEMA will determine housing priority.

**EMERGENCY UNEMPLOYMENT CLAIMS:** The State of Louisiana Department of Labor is stationed at the Slidell Auditorium, 2056 Second Street, Monday - Friday from 8:00 a.m. - 5:00 p.m. The Department is taking Disaster Unemployment Insurance Claims. Additionally, they are screening clients for the (temporary) National Emergency Grant job openings (humanitarian assistance jobs in the local community).

**SBA APPLICATIONS:** Louisiana's Small Business Development Centers (SBDC) are providing assistance to businesses in filling out the SBA Disaster Loan Program applications. Locally, Southeastern Louisiana University's SBDC is hosting SBA Disaster Loan Application assistance workshops throughout the parish. Please call (985) 549-3831 to register for any of the workshops. Workshops will be held at the St. Tammany Parish Library Slidell Branch on Robert Boulevard on September 30, and October 7, 14, 21 and 28 at 9 a.m. The workshops are free.

**FEEDING LOCATIONS:** Feeding locations are open throughout the city including Jesus Christ Church of Latter Day Saints on Robert Road, First Baptist Church on Pontchartrain Drive, Harvest Church in the John Jay Shopping Center, and Grace Memorial Church on Pearl Street. FEMA is handing out ice, water and MREs at the old Wal-Mart on Gause Blvd & I-10.

**MEDICAL CARE:** Heart to Heart International has set up a mobile medical center in the old Schwegmann's parking lot. Doctors and nurses are on staff Monday - Friday from 8:00 a.m. - 5:00 p.m. to assist with residents' medical needs.

Both Slidell Memorial Hospital and Northshore Regional Medical Center are both up and running.

**ELECTRICITY:** Cleco reports that all customers whose homes and businesses can accept power in this area should have power. There have been outages around the city caused by debris removal crews accidentally cutting the lines with their equipment. Cleco is working hard to restore power to these affected areas. If you do not have power, Cleco is asking that you report it to 1-800-622-6537.

If your electrical panel was submerged by water or received damage, a licensed electrician must notify the Building Safety Department that your panel is ready to be energized. This department will then notify Cleco. A licensed electrician must call 645-3651 to file process to restore power and to make all necessary electrical repairs. For more information or assistance on restoring your power, please contact Cleco at 1-800-622-6537.

**WATER AND SEWER SERVICES:** Our water utility system and sewer system are operational and the water system has been re-chlorinated. The drinking water is safe to drink. City crews continue to clean out our many drainage canals and maintain the water treatment plants 24/7.

**TELEPHONE SERVICE:** Bellsouth currently has 8,150 customers without service in St. Tammany Parish. 1,104 additional personnel have arrived in southeastern Louisiana to help in the restoration of service. For information on business services, call 1-800-247-2020. For residential information, call 1-877-737-2478.

**CABLE TELEVISION:** Charter Communications is beginning to restore cable television around the parish and will then restore cable internet service.

**TRAFFIC:** Traffic is extremely slow throughout the city due to the number of residents, volunteers, and clean-up crews in Slidell. In addition, St. Bernard and Orleans Parish residents are traveling to their homes through Slidell to the Hwy 11 bridge. Expect delays throughout the city. The Slidell Police Department asked for your patience while our city is trying to get back to normal.

**IMPOUNDED VEHICLES:** Any vehicles that were parked in city rights-of-way interfering with debris removal have been impounded and can be picked up at the old City Barn on Bayou Lane (near Heritage Park.) It is imperative that we keep all rights-of-way clear so that the city can continue its clean-up efforts. If it is necessary to impound a vehicle, the vehicle owner will be responsible for all related charges.

**DEBRIS CLEANUP:** Several organizations are helping with debris clean-up including Operation Blessing located in the old Schwegmann's parking lot, Jesus Christ Church of Latter Day Saints on Robert Road, First Baptist Church on Pontchartrain Drive, and Grace Memorial Church on Pearl Acres Street. Please register your property address at one of these locations to have your debris removed.

It is helpful to keep your debris in four separate piles, if possible: tree debris, construction debris, appliances, and household garbage. This will make pick up much faster.

**APPLIANCE PICK UP:** The Environmental Protection Agency will be in Slidell beginning next week to pick up refrigerators, freezers, batteries, and computers that were damaged by the hurricane. Please try to separate these appliance items from the rest of your debris. The EPA will take these items to an isolated site to decompress the freezers and refrigerators and remove freon. They will then recycle these items.

**COMPUTER DISPOSAL:** Be careful if you are throwing out computers damaged by Katrina. Don't leave computers out on the street where your personal information could be retrieved from the computer's hard drive. Protect yourself from identity theft. Take out and keep the hard drive before you throw out your computer.

**GARBAGE PICK UP:** Garbage is being picked up once a week. Please place your garbage in front of other debris where the drivers can see it.

**EMERGENCY CLEAN-UP EFFORTS:** Our city crews are working to clean out drainage canals and repair damage to work sites and stations throughout the city. The city is also beginning a comprehensive sweep of the neighborhoods from south to north and will assist with emergency clean-up efforts and tree removal to those in need.

**TARPS:** The Army Corps of Engineers is providing blue roofing and tarps. You may sign up for them at the Slidell Memorial Founders Building on Robert Road. Operation Blessing is also providing blue tarps and help with installation. You may sign up for their services at the old Schwegmann's building on Gause Blvd.

**PROPERTY REPAIRS:** A reminder about repairs done on your property: if you are hiring a contractor to make repairs on your home, please verify that the contractor is licensed and insured, get a written contract, do not give any money in advance, do not pay more than the price stated in the contract, and verify that the contractor has a work permit issued by the City of Slidell before any work begins.

**PRICE GOUGING/EVICTION:** People with questions about apartment evictions or who wish to report price gouging should contact the Consumer Protection Agency at 1-800-351-4889, the Office of Emergency Preparedness at (225) 925-7455, or the Louisiana State Bar Association, Disaster Relief Committee at 1-800-310-7029.

**TRAVEL TRAILER DUMPSITES:** The City of Slidell is providing dumpsites for travel trailers to dump sewage into the sewer collection system at the South (dead end) of Bayou Lane at the Old City maintenance barn and at Civic Club Drive. Dumping will be allowed from 7:00 a.m. - 7:00 p.m. on Mondays and Thursdays. City personnel will be on site to monitor the activity.

**LOST AND ABANDONED PETS:** The Slidell Office of Animal Control, with the help of Noah's Wish, a non-profit volunteer organization, is currently housing over 800 pets displaced by the hurricane at the Public Operations building. If your pet is there, please pick up your pet as soon as you can. Or if you would like to adopt one of the many displaced animals, please visit their temporary animal shelter at the Slidell Public Operations building next to Heritage Park. Noah's Wish is also giving out free dog and cat food.

**SCHOOLS:** St. Tammany Parish schools will reopen on Monday, October 3. Please continue to check their website [www.stpsb.org](http://www.stpsb.org) for daily updates. Please call your child's school to let them know whether your child is returning.

Several Slidell schools were damaged and will platoon as follows:

Salmen High School will platoon at Northshore High. Northshore High students will attend classes from 7:00 a.m. - 12:37 p.m. and Salmen will attend from 1:15 p.m. - 6:55 p.m.

St. Tammany Jr. High and Slidell Pathways will platoon at Slidell Jr. High. Slidell Jr. High students will attend class from 7:00 a.m. - 12:37 p.m. St. Tammany Jr. High will attend from 1:30 p.m. - 6:56 p.m. and Pathways from 1:30 p.m. - 6:25 p.m.

Brock Elementary will share space at Abney Elementary and attend school at the same time.

Pope John Paul II High School and St. Margaret Mary School reopened on Monday, September 19. St. Margaret Mary is also hosting students from Our Lady of Lourdes School, while Lourdes classrooms are being repaired from the storm.

**HIGH SCHOOL ATHLETICS:** High school football resumes this week. On Friday, Slidell High School will host Mandeville High at 7:00 p.m. Also, Northshore High plays at Fontainebleau High and Salmen High plays at West Jefferson High. The times are to be determined.

**PARKS:** John Slidell Park on Robert Road and Heritage Park on Bayou Lane have reopened to the public.

**SHOPPING:** North Shore Square is now open from 10 a.m. to 6 p.m. Monday through Saturday, and noon to 6 p.m. on Sundays. Department stores that are open are Dillard's Men's, JC Penney and Sears. Dillard's Women will re-open on October 12.

The City of Slidell extends a very gracious thank you to the many businesses, individuals, and the volunteers from throughout the United States and Canada whose hard work and dedication have made a tremendous difference in our city's recovery efforts. We appreciate all you are doing for us!

Thank you and stay safe,  
Mayor Ben Morris
