Slidell Saints Celebration in Olde Towne: Show Off Your Inner Fan!!

The City of Slidell wants Saints fans to come out to proudly celebrate our team and show off your inner fan on Friday, November 6 at the Olde Towne Alive event from 5:30pm to 9:00pm. Come dressed in your favorite team gear or maybe bring your decked out lawn chairs, coolers, bikes, hats — or whatever it is that represents how you express your support of the New Orleans Saints in your life.

The Bayou Liberty Jazz Band will perform on the main stage in front of the newly restored City Hall on Second Street at Bouscaren for everyone coming out to the block party called “What’s on Second?” Merchants on First Street will host a “Who’s on First?” street party featuring a wine walk, prizes, street entertainers and classic cars.

The answer to Who’s on First? and What’s on Second? are citizens of DA WHO DAT NATION!!

Come out and make Olde Towne Alive with Saints spirit in this special place that is one the area’s historic treasures.
