## **Town Hall Meeting Invitation**

Please join me for my America Speaking Out town hall meeting on Thursday, August 26, in Mandeville. Details are below.

**Who:**

You and Congressman Steve Scalise

**What:**

America Speaking Out town hall meeting

**When:**

Thursday, August 26, 2010 – 7:00 PM CT

**Where:**

St. Tammany Parish Council Chambers

**Why:**

I want to hear your views. "America Speaking Out" is an opportunity for you to let me know the ideas, goals, and priorities that you would like to see implemented in Washington, D.C. It's time the American people help drive the agenda, rather than liberals in Washington.

I look forward to seeing you there. It is an honor to represent you in Congress. If you have any questions or concerns, please contact my office or visit [www.scalise.house.gov](http://www.scalise.house.gov).

Sincerely,

Steve Scalise  
Member of Congress
