FEMA Website Provides Flood Zone Information

Citizens who need information regarding which flood zone a specific property is located within may access this information directly through the following link:

<http://msc.fema.gov/webapp/wcs/stores/servlet/FemaWelcomeView?storeId=10001&catalogId=10001&langId=-1>

Simply enter the property address, then click the “View” option once the system locates the requested map. You may zoom in to locate a specific address. To print a map of the selected location, choose the “Make a FIRMette” option, which will enable you to save a copy to your computer which may be printed out if desired.

Please note that information about the FEMA Map Service Center is being provided strictly as a public service to our citizens. As such, The City of Slidell does not guarantee the accuracy of any information contained on that website.
