## Selene Will Have Extra Police Officers Covering Route

Chief Freddy Drennan has instructed all enforcement divisions of the police department to have extra personnel work the Selene Parade this Friday night.

Uniformed and Plain Clothes Officers will be out patrolling the entire parade route looking for any underage drinkers and those causing a disturbance. Anyone caught violating the law will be arrested. There will also be extra officers that will concentrate on looking for impaired drivers before, during and after the parade. The Slidell Police Department is also getting help from other St. Tammany Parish Police agencies; these include the St. Tammany Parish Sheriff's Office, Covington, Madisonville and Pearl River Police Departments. Officers will also be on the look out for anyone that throws an object at any participants in the parade or those trying to interfere with them.

If parking along the route everyone should park their vehicle so that it does not cause a safety hazard and that they are not parking on private property without the owner's permission.

Chief Drennan has also asked the principals from the local Slidell area high schools to make an announcement advising all the students that the police will be looking for any underage drinkers and those causing a disturbance, along Friday's parade route.

Chief Drennan said "My Intention is to get compliance, its not to see how many arrest we can make, but to get compliance."
